**NIA
LEE**

What I love most about working at Titan Medical is the tight-knit culture and how everyone is treated like family here. We really do all share a love for what we do, and it makes the job that much more enjoyable! My dream travel destination is Paris. If I could choose a theme song for myself, it would be Don't Stop Believin' by Journey.

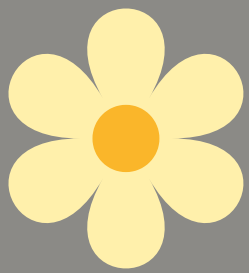

**SHELLY
ESCHLIMAN**

What I love most about working at Titan Medical is the people! My dream travel destination is Europe (Italy specifically). If I could choose a theme song for myself, it would be The Dance by Garth Brooks.

**BROC
BETTELL**

What I love most about working at Titan Medical is the relationships I get to build with my travelers and coworkers. My dream travel destination is honestly anywhere, I love checking off places! If I could choose a theme song for myself, it would be Lions Inside by Valley of Wolves.
